The music never stops at [Melody Maker Cancun](#).

That's because the [world's biggest party hotel](#) hosts the hottest concerts and beach parties on [Mexico's Yucatan Peninsula](#).

Year-round, guests will flock to the Delirio Day Club to soak in the [Caribbean sun](#) along with pulse-pounding beats and live performances from some of the biggest names in music.

The adults-only club boasts spectacular views of the [Cancun beach](#) along with a state-of-the-art DJ booth for resident and guest DJs alike, an inviting pool area, comfortable seating, refreshing drinks and cocktails and VIP cabanas with bottle service for guests seeking to further enhance their experience.

The special weekend party menu features good vibes to suit every's taste, including top 40, electronic and deep house music with Friday's "Hide Out Party," Saturday's "Pool Party" and Sunday's "Sounds of Tulum," respectively.

It doesn't matter who's providing the melody because you'll never feel like you're missing out.

Guests will have open access to the Delirio Day Club Friday through Sunday and access to Beach Club beds subject to availability. Plus, with a minimum consumption of two bottles per bed, guests will also have access to the Jacuzzi, pool area and cabanas.
