A nice pool, elegant lobby and fancy restaurants are awesome amenities to have at your resort during a vacation in [Cancun, Mexico](#). In addition, wouldn't it be nice to have a luxury room to retreat to after a long day of fun in the sun?

[Melody Maker](#) does not disappoint in this department.

Deluxe rooms, exclusive suites and luxury villas are what you'll find upon arrival at Cancun's biggest [party hotel](#). You'll fall in love with the modern design and comfort, not to mention the breathtaking views of either the ocean or lagoon.

When choosing a stay in a deluxe room, guests can pick a sunset view which will offer a panoramic view of the lagoon and hotel zone or an ocean view. Some of these rooms accommodate two adults, and a few of them can hold three.

In the case of visitors looking for a bit more space and sophistication, the suite life is the way to go. Choose from a signature sunset view, ocean view terrace, signature icon ocean front or the beach club suite. All of these are spacious and have added amenities such as a luxurious soaking tub.

For those guests looking for an exceptional, one of a kind experience, a villa is the best choice. Booking this category will ensure an ultimate level of luxury and privacy. Choose a swim out beach villa for the closest ocean access. You'll be able to walk straight out of your door and feel the sand between your toes.

No matter which room category you book, all concerts are included during your stay at Melody Maker.
